# The Old Farmer's Almanac Says It's Summer Party Time!!!

According to The Old Farmer's Almanac this summer will be cooler and drier than normal, with the hottest temperatures in mid- to late June and early and mid-July.

### Tips To Make Your Summer Party A Roaring Success:

1. Don't get stuck in the kitchen during your party. The Host sets the mood. If you enjoy yourself, your guests will do the same!
2. Turn The Music On! Whether it's a mellow cocktail affair or an all out dance party nothing enhances a gathering like the right music. Hire a professional DJ, a trio, or make up your own custom playlist.
3. Save Yourself A Lot Of Trouble! From Food, Drinks, Servers, Music, Rentals, Decor, to Clean-up - ONE CALL DOES IT ALL! Simple and inexpensive or extravagant, have Franco Freshy cater your Summer Party for you.
